

**What can I give Jesus?  
Let's look inside our hearts  
And share God's gift of love;  
That's where Christmas starts.  
By serving Christ in all we do  
We help others see  
The important part of Christmas  
Is inside you and me.**

*God made His light shine in our hearts. -2 Corinthians 4:6*

God gives us each the ability to love others. We may show God's love in simple, "everyday" ways. What are three simple ways you can show God's love to others?

*Use your gifts for others. 1 Peter 4:10*

**What can you give Jesus for His birthday this Christmas?**

**Draw a picture or write a paragraph telling how you can give a gift to Jesus:**

A note to the teacher regarding the activity sheet  
**What Can I Give Jesus?**

The activity sheet includes two shortened bible verses:

*God made His light shine in our hearts. -2 Corinthians 4:6*

*Use your gifts for others. 1 Peter 4:10*

Read the verses out loud as a class.

You may wish to encourage the students to memorize them.

The purpose of this activity is to help the student remember 3 main points:

- a) **God makes His light shine in our hearts.** When we show love for others, we are like stars shining His light to others!
  
- b) **God gives us each different gifts, and they are all valuable.** God wants us to use our gifts to show love.

You may wish to discuss the entire verse in 1 Peter 4:10, paraphrased below:

*God has shown you His grace in giving you each different gifts.*

*You are like servants who are responsible for using God's gifts.*

*Use your gifts to serve each other. -1 Peter 4:10*

Simple gifts are wonderful. Give examples of simple gifts that each of us have that can make life easier, nicer, more beautiful for others:

(examples, holding the door for another instead of letting it slam, helping a younger child tie his shoe, drawing a picture for Grandma, helping a friend carry a heavy box, saying "thank you," helping keep the classroom tidy so it's nice for everybody, sharing your toys, using kind words.)

- c) **Christmas is Jesus' birthday!**

Think of ways to make Jesus happy on His birthday and EVERY day! As individuals, as a class, how can we show God's love to others as gifts to Jesus? Younger students may draw a picture. Older students may choose to draw or write about ways to give back to Jesus.

You may wish to read the book *What Can I Give Jesus?* and play the included CD of the song for the class.
